CHAPTER SIX

©CIL 17960 TRAPPED

Eddie escapes by swinging by rope to the building next door, and starts for the Bradley home. On his arrival he is told of Louise's going to the hospital and sensing a plot he returns to the Gang's headquarters in hopes of finding out the whereabouts of Louise.

He overhears Marie tell of Louise's capture and when she leaves he follows her. She goes to the sanitarium and as Eddie enters the grounds he is seen by Louise, who calls to him for help.

Marie goes up to Louise's room and taunts her by showing her the parchment. Louise tries to grab it and a struggle ensues. Eddie meantime starts to climb the outside of the building in an effort to free Louise. He reaches the window just in time to grab the parchment from the hands of Marie who faints on seeing Eddie. Quickly disguising herself in Marie's cloak Louise starts to escape. As she gets to the floor below she is discovered by Dr. Duncan. She runs away but is caught and taken to Duncan's office. Eddie hearing her scream starts to the rescue but is caught by aids of Duncan just as he enters the doctor's office. They try to drag him over a trap in the floor while Duncan stands ready to press the button as soon as they get him to the trap. Seeing Eddie's danger, Louise manages to free herself. She throws Duncan and succeeds in springing the trap. Someone falls through.
